Jeremiah Johnson dec'd

Comes now Albert Johnson administrator of the estate Jeremiah Johnson deceased and represents to the Court that said decedent died the owner of an estate worth $30000 above all indebtedness; that no provision was made in his will for the erection of a monument at his grave. Hendricks Circuit Court
March Term 1881

The plaintiff, as such Administrator,
complains of the defendants, who are the heirs at
law of Jeremiah Johnson, dec'd, and says: that on
the 14th day of September 1876 one James T. McCurdy
and wife, executed to Albert Johnson, executor of
said will, and the predecessor of this plaintiff,
a mortgage, conveying to him the following
described Real Estate in Hendricks County and
State of Indiana to-wit: 65 feet off of the south
end of out lot No 4 and 60 feet off of the south
part of that part of out lot No 3 lying west of
high street in Job H. Davis Addition of out
lots to the Town of Danville; also a part of the
SE¼ of Section 4. Township 15. North in Range
one West. beginning 53 rods and 17 links south
of a point on the South line of said quarter
section, the point being on the south line

of said quarter section and 18 rods and 11 2/3 links East of the south west corner of the aforesaid quarter section and running from the beginning 420 feet south; thence East 173 feet; thence north 432 feet; thence south 86 -0- West 10 rods & 13½ links to the beginning. to secure a note executed by the said McCurdy to Albert Johnson Executor &c for the sum of $724.78/100 due in two years from date with 10 per cent. interest from date; that afterwards the said James T. McCurdy became a bankrupt and made an assignment of all his property under the general bankrupt laws of the United States and Cyrus D. Hunt was appointed assignee; that afterwards the said Hunt, as such assignee, sold the above described Real Estate and the same was purchased by the plaintiff to save his Estate from loss as far as possible; that afterwards one Nathan J. Scearce, owning or claiming to own an interest in said real Estate sold and conveyed all his interest to the plaintiff and that the said plaintiff now holds said estate as acquired assetts in his hands, in trust for the estate he represents.

And he shows to the Court that said property in its present condition is not profitable to the estate he represents, as the taxes, repairs and expenses on said property nearly equal the income from the same; but he shows to the Court that he believes a sale of the property and a proper disposition of the proceeds thereof would

inure to the advantage and benefit of the cestui qui trust and would better fulfill the interest of the estate he represents.

Wherefore he makes all the heirs of the said Jeremiah Johnson dec'd. defendants hereto and asks that they may be summoned to show cause if any they have why said real estate should not be sold. as is by law of the General Assembly approved February 24th 1875 provided.

And he asks an order accordingly

The above named
administrator now comes and reports to the
Court that in pursuance to the order of the Court
heretofore made in this cause he did on the
12th day of July 1881. sell to Mary J. Garshwiler at private sale
the property ordered sold herein to-wit: 60
feet off of the North end of out lot No. 4 and
60 feet off of the south end of a part of that part
of out lot number 3 lying west of High
Street in Job K. Davis Addition of out lots
to the Town of Danville; also a part of the SE¼
of Section 4 Township 15. North in Range one
West, beginning 53 rods & 17 links north of a
point on the south line of said quarter section.
the point being on the south line of said
quarter section and 18 rods & 11⅔ links east
of the south west corner of the aforesaid
quarter section and running from the
beginning 420 feet south; thence East 173
feet; thence North 432 feet; thence south
86°-0- West 10 rods & 13½ links to the beginning
in Hendricks County Indiana
for the sum of $600.00 that being the full
appraised value of said Real Estate and that
being the highest bid offered therefore.
Whereupon the said Mary J. Garshwiler said

down the sum of $ 200.00 and delivered note for the residue signed by Abram M. Garshwiler each for $200.00 due in 6 & 12 from date all in accordance with the order of this court. And the Administrator shows that he executed to the said Mary J. Garshwiler a certificate of purchase reciting the above facts, entitling her to a deed of conveyance if the sale so made be approved by the Court.

And he further reports that afterwards the said Mary J. Garshwiler offered to pay said deferred purchase money notes, which were not drawing interest, provided the Administrator would discount the same eight per cent. And he shows that considering the fact that the estate he represents had been open for more than five years; and that carrying the same in court is expensive and that their purchase money notes were the only things preventing a final settlement report he discounted said notes eight per cent and received the money thereon. Which action he now asks the Court to approve and permit him to take a credit for said discount in his report to be made this day.

Wherefore he asks that his proceedings herein may be approved, and that he may be ordered to make a deed of conveyance to the purchaser

The Admr. shows that he has in his hand the sum of 11 26 06

in money over and above the balance above shown which belongs to said estate, and which he is unable to account for, unless there be in the accumulation of interest on the funds transferred from Albert Johnson, which was charged at the ilowing prices, some error in transferring the estate from Albert Johnson, former Admr. to him. He says he knows the above is correct as he has kept the funds of said estate in Bank separate and apart from all other funds and has used none of it for his own use or for any purpose except the use of the estate, he therefore pays said sum of $1459.39 into court to be dis-

tributed under the order of the Court.
He further shows that the persons entitled to distribution have been equalized in advancements and distribution up to this time and that the sum for final distribution should be distributed as follows:

he has received nothing; that he has had a
great deal of litigation in settling said Estate
