No. 544

comes the plaintiff by Hadly, Hogate & Blake, his Attorneys, and files the affidavit of James O. Parker, Editor of the Hendricks County Republican, a public weekly newspaper of general circulation printed and published in Danville in the County of Hendricks and State of Indiana, from which affidavit it appears that notice of filing the petition herein has been given in said newspaper for three weeks successively, at least thirty days prior to October 20th 1883, upon which day, by an indorsement on the petition this cause is set for hearing, the first of which publications was on the 30th day of August 1883 and the last on the 13th day of September 1883, And said ~~affidavit~~ administrator also files his own affidavit from which it appears that on the 27th day of August 1883, he posted copies of said notice in three public places in Washington Township in said County, where said Real Estate pro-

pose to be sold is situate. Whereupon on motion the defendants, Mary Huron, James V. McClain John S. McClain, Sarah J. Cox, Sarah J. Pritchett Martha S. McClain, Joseph W. McClain, Sarah J Owens, Martha A. Owens, Robert E. Day, Guardian of Harriet G. Day and William H. Nichols, Auditor of Hendricks County, in the State of Indiana are each three times severally called, but come not to answer herein and wholly make default. And the infancy of Sarah R. McClain being suggested to the Court the Court now here appoints James G. Miles, an attorney of this bar guardian ad litem for said infant defendant, and now as such files his answer.

And on motion of the plaintiff this cause is submitted to the Court for hearing, finding and decree, and after hearing the evidence and inspecting the proof the court doth say and find, that on the 22 25/7 day of February 1883 James McClain died intestate the owner in fee simple of the following described Real Estate in Hendricks County in the State of Indiana to wit: The E 1/2 of the N W 1/4 and the W 1/2 of the NE 1/4 of Section Eleven (11) Township Fifteen (15) North in Range one (1) East subject to the right of way of the Indianapolis and St Louis Rail Road Company, estimated at six acres, which real estate is worth about $4000.00 exclusive of the liens thereon as hereinafter shown, which real estate is liable for the payment of the debts of said deceased, that there has come into the hands of said Administrator as shown by his inventory and sale bill the sum of $1693.57 and that the debts of the estate so far as they have come to the knowledge of the

administrator amount to the sum of #4892.09.
The Court further finds that on the 13th day of March 1882 the said decedent mortgaged the W½ of the NE¼ and the NE¼ of the NW¼ of Section 11, Township 15 North in Range one East to Frank L. Miller to secure the payment of #2100.00 drawing interest at seven per cent, which mortgage was duly recorded on mortgage record No. 17 page 233; that afterwards the said Miller assigned in writing said mortgage to Security Company of Hartford County State of Connecticut, which assignment is recorded in mortgage record 17 page 264 and afterwards said security company assigned in writing said mortgage to Robert E. Day Guardian of Harriet G. Day of Hartford County, Connecticut which assignment is recorded in Mortgage record 18 page 225.

The Court further shows that on the 4th day of October 1882, the said decedent mortgaged to the School Fund of the State of Indiana the S½ of the SE¼ of the NW¼ of Section 11, Township 15 North in Range one East to secure the sum of #400.00 which mortgage is recorded in School Fund Mortgage Record of Hendricks County No. 2. page 239. All of which claims against said estate amount to #7392.09

The court further finds that said Real Estate ought to be sold to raise a fund to pay said debts and said mortgage liens.

And now comes said Administrator and files an inventory and appraisment from which it appears that Enos Hadley and Joseph Timings two reputable householders

and free holders of the County of Hendricks, who after being duly qualified for the performance of their duty, appraised said real estate as follows:

1 The W½ of the NE¼ of Section 11 Township 15 North in Range one East, subject to the right of way of the I. & St. L. R. R. Co. (3 acres more or less) and the NE¼ of the NW¼ of Section 11 Township 15 North in Range one East, were appraised, subject to a mortgage of $2100.00, at the sum of $3700.00

2 And the SE¼ of the NW¼ of Section 11 Township 15 North Range one East, subject to the right of way of the I. & St. L. R. R. Co. through the same (3 acres more or less) was appraised at $1800.00

And now said Administrator files a bond herein in the penal sum of $11000.00 with Enos Hadley and Joseph Hinings as surety conditioned for the faithful performance of the administrator of his duties in and about the sale of said Real Estate, which bond and the surety thereto is approved by the Court and his approval endorsed thereon in writing.

It is therefore ordered, adjudged and decreed by the Court that Libark Blair, the administrator herein proceed to sell at private sale the following described Real Estate in Hendricks County in the State of Indiana to-wit: The East half of the South West quarter and the West half of the South East quarter of Section Eleven (11) Township Fifteen (15) South in Range one (1) East, subject to the right of way

of the Indianapolis and St Louis Rail Road Company through said real estate (6 acres more or less) and subject to a mortgage of $2100 00 executed on the 13th day of March 1882 by said James McClain to Frank L. Meiller. recorded in Mortgage Record No. 17 page 233. which the purchaser is to assume and pay as a part of the purchase price for said real estate.

And said Administrator is ordered to sell said real estate for one third cash in hand, one third in six months without interest until due and one third in twelve months with six per cent interest from date. Said sale to be continued from day to day until ~~sold.~~ said real estate is all sold.

Deposition of John D. McClain, witness produced and sworn to before me, a Notary Public of Boone County State of Indiana on the 17th day of January 1884. pursuant to the enclosed notice

This deposition is taken on the ~~part~~ defendant in a certain action now pending in the ~~Hendrick~~ Circuit Court of Hendricks County, in the State of Indiana, wherein Joseph D. Miller is plaintiff and the Estate of James McClain is defendant

The said John D. McClain being duly sworn to testify the truth, the whole truth. and nothing but the truth relating to said cause upon his oath follows.

1. Question. State your name, age, occupation and residence.

Ans. John D. McClain, 51 2 years of age in March coming, Occupation a farming. And Washington township Hendricks County Indiana is my residence.

2. Ques. What is the present condition of your health.

Ans. It is my bed at present. I am confined to my bed and have been for seven weeks last past with lung trouble.

3. Question. Will you be able to attend court at present term, at Danville Ind.

Ans No sir. I know I will not.

4 Ques. Are you acquainted with Joseph S. Miller — the plaintiff in this case.

Ans. Yes Sir. Have been acquainted with him a number of years.

5 Ques. What relation did you bear to James McClain — the deceased.

Ans. I am his son.

6 Ques. Did you have a conversation with Joseph S. Miller, a short time after your father's death and before this claim was filed, or did you hear any conversation between him and any body else, concerning the fact as to whether your father at the time of his death was owing said Miller any thing. If so, state fully what was said

Ans. Yes Sir, I heard such a conversation, shortly after fathers death, James Hall and I were walking East on the

South side of the public square in Danville and Miller came out of the Court House yard and also turned East - When we got to the Corner at the old hotel building - We called Miller over, and something was said in a joking way about politics, and then I asked him if he had found out any thing in regard to the Bales Matter! It having been claimed by my father that he had paid Wilkinson Bales a certain sum of Money on my account. Miller said that he had seen Bales and that there was nothing in the claim. Then asked for Miller - the claimant - if there was any unsettled business between him and my father at the time of his death. And Miller said that there was nothing between them and that everything was settled up and straight and that he was glad of it. This was about all of this conversation there and I then went to the train.

Ques. Do you recollect of Miller going out to Avon to participate in a proposed arbitration between

yourself and your father.
Ans. Yes. Sir

Ques. What if any thing did your father ever say to you about having paid Miller for that service?

Ans. A few days before the arbitration Father came to my house and told me that I needn't get any lawyer in that matter and that he had been to Danville and got Miller to come out and attend to it and that he could do the figgering for both of us. I asked father what he had to pay Miller and he said that he had paid him five dollars to do it, and that I could pay my part of it to him if I wanted to, and if not I needn't

The Administrator shows to the court that he was heretofore ordered to sell at private sale the W½ of the NE¼ and the NE¼ NW¼ Sec. 11. Township 15 Range one East for not less than the full appraised value ($3700.00) subject to a mortgage of $2100.00 on said real estate, which mortgage is dated March 13. 1882 payable to Frank L. Miller, He says he has advertised said real estate for sale, and continued the same from day to day as by order of the Court, and two months have elapsed since the day set for sale, and no one has bid enough thereon to pay the bid and assume the mortgage and interest. He believes if the court should so modify the order as that he might sell said real estate for the appraised value and the purchaser to assume the face of the mortgage he could find a purchaser, and he asks an order accordingly.

Know all men by these presents that we George A. Guthrie and Joseph Bailey
are bound to Clark Blair, administrator of the estate of James McClain deceased, in the penal sum of $2500 for the payment whereof we do jointly and severally bind ourselves, our heirs, executors and administrators firmly by these presents sealed with our seals and dated this 9th day of May 1884.

The condition of this bond is that whereas the above bounden George A. Guthrie has purchased at administrator's sale of said Clark Blair, administrator as aforesaid, the east half of the northwest quarter and the west half of the northeast quarter of section eleven, township fifteen north, range one east, in the county of Hendricks and state of Indiana, for the price of $3500 and the further consideration of the payment of the face of a certain mortgage upon a part of said lands for $2100, executed by said decedent on March 13th 1882 to one Frank L. Miller, recorded in the recorder's office in said county in mortgage record no. 17 at page 233. Now, if said George A. Guthrie shall fully pay the said sum of $2100 the face of said mortgage together with the interest that shall accrue upon said mortgage from and after the

23rd day of April 1884, and indemnify said administrator and all persons interested in the estate of said decedent against all liability on account of the same; then this bond shall be void, otherwise in force.

Clark Clair, administrator of said estate reports to the court that pursuant to the order made in this case, he gave notice that he would sell at private sale on the premises on the 1st day of December 1883, the real estate described in said order to wit: The E 1/2 of the N W 1/4 and the W 1/2 of the N E 1/4 S. 11. T. 15. N. R. 1. E. in Hendricks County, Indiana, subject to the right of way of the Indianapolis and St Louis Railroad Company through said land (six acres more or less) on the terms prescribed in the order by publication four weeks successively in the Hendricks County Republican a weekly newspaper printed and published in said county, and by posting up printed notices thereof in five public places in said county, of which three were posted in Washington township, where the land is situate; and at the hour of 10, A. M. of said day on the premises he offered said land for sale, but having received no bid therefor, the sale was continued from day to day

until the 23rd day of April 1884, when George A. Guthrie did bid therefor the sum of $5500.00, and he being the highest and best bidder and that sum being the full appraisement of said land, the same was then and there sold to him. And said purchaser paid down the sum of $1833.33, and executed his notes with Loten N. Jenkins, surety, for the residue, payable in equal installments of six and ~~eighteen~~ twelve months, waiving valuation and appraisement laws.

And the undersigned shows to the court said notes, and refers to the appraisement and proof of notice on file in this court.

Said sale was made in all things agreeable to said order of this court, said purchaser agreeing and assuming to pay the face of the mortgage of $7100.00 executed by said decedent, March 13th 1882 to Frank L. Miller over and above his said bid of $5500.00, and the purchaser's bond conditioned for the payment of said sum of $7100.00 is now shown to the court.

And the administrator fur-

thus represents to the Court that he assured the purchaser that if he would pay the amount stated, he (the administrator) would ask the Court to extend the time for the payment of the last installment of purchase money to eighteen instead of twelve months; and accordingly such extension is now prayed.

And the administrator asks that the sale may be confirmed.
