Estates of Lucinda Minton and E H Minton  
respectfully submits to the Court the following  
report to wit:

Said Guardian says he has not yet received  
any thing belonging to said wards into which  
to charge himself =

But that he has expended money for their Benefit  
as follows - Said Guardian states that when he  
was appointed, said wards were in the custody  
of one William Deegan who took said wards to  
the city of Lafayette and into a Pest House  
which he deemed an unsuitable and dan-  
gerous place for them wherefore he proceeded  
to said city and by legal proceedings took  
said infants into his own care and custody  
and brought them back to Danville at an  
expense of \$46.60 which was paid to him  
by Silesx Loage No 123 of the Independent  
order of Odd Fellows of which Loage the  
father of said wards was a member -

That said Loage is now entitled to said \$46.60  
That he has incurred other expense for  
said wards which he advances as follows

And said Guardian further reports that there is a house and lot belonging to said wards in Danville which he has rented out but as yet received no rents for the same, and he asks the Court to allow the above items of account and order him to apply said rents when received on the same -

And he further reports that he has made a contract with John and Amelia Mullikin the Uncle and Aunt of said wards to take care of them, clothe, Board and educate them for their society and services until they are of full age and pursuant thereto has placed said wards in their custody and keeping, and he now submits to the Court the written agreement made between himself and said parties with the security thereon and the recommendations he received of said parties and he asks the Court to ratify and confirm said contract and order the same to be recorded in the order Book of this

State of Indiana } In the Court of Common

To the Honorable Solomon Blair Judge  
of said Court -

The undersigned Guardian  
of the persons and estates of Senora Belle  
Minton and Lillie Ann Minton  
minor heirs to the estates of Lucinda  
and E. H. Minton both late of said County  
deceased, would respectfully represent to  
the Court

That said wards have no personal  
estate which has come to his knowl-  
edge or possession excepts rents herein  
after mentioned

That they have personal estate depen-  
dent upon the settlement of the estates  
of their father and mother abovesaid  
which will not probably amount to  
more than a few dollars after the  
payments of debts of said estates

That they are the owners of Real Estate  
in said County by descent from their father  
E. H. Minton described as follows to wit:  
Lots One and two in Block No 13 in  
the town of Danville of the probable  
value of Eighteen Hundred Dollars

and the annual rental value of which is about \$200- out of which is to be paid taxes insurance and repairs

That since his appointment he has received as rents for said Real Estate about the sum of One Hundred Dollars which has been applied as follows - in tax - insurance - care of children and repairs leaving a small balance in my hands

And said Guardian would further represent that said Real Estate is going to waste in this town: that it is needing repairs equal and beyond the accumulated rents and he believes a better investment of the proceeds of said Real Estate could be made by loaning the amount at ten per cent interest. That said Sumner Belle Minton is about 11 years of age

That said Lillie Mui Minton is about Seven (7) years of age

And that they both reside with their Aunt Amelia Mullikin in the State of Iowa in the town of Montezuma -

That considering the condition of said Real Estate and the necessity of immediate and extensive repairs and also considering the present demand for real estate in Des Moines, you Petitioner is of the opinion that this <sup>is</sup> a favorable time and opportunity for offering said Real Estate for sale, wherefore he asks

### And each of the said Companies

by fire to the property above specified, from the first day of May 1882 at noon, to the first day of May 1885 at noon; the amount of such loss or damage to be estimated according to the actual cash value at the time of the loss, and to be paid sixty days after due notice and proofs of the same, made by the assured, and received at the office of the General Agent of the said Companies in the City of New York, in accordance with the terms of this Policy hereinafter mentioned; **but provided**, in case differences shall arise touching any loss or damage, after proof thereof has been received in due form, the matter shall, at the written request of either party, be submitted to arbitrators, indifferently chosen, whose award in writing shall be binding on the parties as to the amount of such loss or damage, but shall not decide the liability of the Companies respectively under this policy.

**And, provided further**, that it shall be optional with the Companies to repair, rebuild or replace the property lost or damaged, with other of like kind and quality, within a reasonable time, giving notice of their intention so to do within thirty days after receipt of proofs herein required; and in case the Companies elect to rebuild, the assured shall, if required, furnish plan and specifications of the building destroyed. Neither of the Companies shall be liable for loss by theft at or after a fire, nor for any loss or damage by fire caused by means of invasion, insurrection, riot, civil commotion, or military or patterns, printed music, engravings, paintings, picture-frames, sculpture, casts, models, or curiosities, unless particularly specified in this Policy; nor for any loss or damage caused by removal of property from a building, except it be proved that such removal was necessary to preserve the property. Plate-glass, in doors or windows, when the plates are of the dimensions of three square feet or more, also store furniture for the loss or damage by fire only; nor for loss or damage caused by the explosion of a dwelling-house, or any explosive substance; nor by the explosion of a steam boiler, unless fire ensues, and then and fixtures, most be separately and specifically insured, otherwise they are not protected by this Policy.

If an application, survey, plan, or description of the property herein insured is referred to in this Policy, such application, survey, plan, or description shall be considered a part of this contract, and a warranty by the assured; and any false representation by the assured of the condition, situation, or occupancy of the property, or any omission to make known every fact material to the risk, or an over-valuation, or any misrepresentation, whatever, either in a written application or otherwise, or if the assured shall have, or shall hereafter make any other insurance on the property hereby insured, or any part thereof, without the consent of the Companies written hereon, or if the above-mentioned premises shall be occupied or used so as to increase the risk, or the risk be increased by the erection of adjacent buildings, or by any other means whatever within the control of the assured, without the assent of the Companies endorsed hereon, or if the property be sold or transferred, or any change take place in title or possession, whether by legal process or conveyance, or if this Policy shall be assigned, without the consent of the Companies endorsed hereon, or if the premium shall be unpaid, or if the interest of the assured in the property, whether as owner, trustee, consignee, factor, mortgagee, lessee, or otherwise, shall be assigned, without the assent of the Companies, or if the assured shall keep upon the said premises gunpowder, or phosphorus, or petroleum, or rock or earth oils, or benzole, benzine, or naphtha, or any explosive substances, or shall keep or use upon the said premises camphene, spirit-gas, or chemical oils, without the assent of the Companies, or if the assured shall keep upon the said premises for sale, not exceeding twenty-five pounds of gunpowder, and not exceeding five barrels of petroleum, kerosene or coal oil. **Provided, however**, that without such written permission the assured may keep upon the said premises for sale, not exceeding twenty-five pounds of gunpowder, and not exceeding five barrels of petroleum, kerosene or coal oil. This insurance may be terminated at any time at the request of the assured, in which case the Companies shall retain only the customary short rates for the time the Policy has been in force. The insurance may also be at any time terminated at the option of the Companies, on giving notice to that effect, and returning a ratable proportion of the premium for the unexpired term of the Policy. Insurance once made may be continued for a further term, the premium therefor being paid and a renewal receipt given for the same, and it shall be considered as continued under the original representation; but in case there shall have been any change in the risk, either within itself or by adjacent buildings, not made known to the Companies by the assured at the time of the renewal, this Policy and renewal shall be void. If the interest of the assured in the property be any other than the entire, unconditional and sole ownership of the property, for the use and benefit of the assured, it must be so represented to the Companies, and so expressed in the written part of this Policy, otherwise this Policy shall be void.

In case of any other insurance upon the property hereby insured, whether prior or subsequent to the date of this Policy, the assured shall be entitled to recover of the Companies respectively no greater proportion of the loss sustained than the sum hereby insured by each of them bears to the whole amount insured thereon, whether such other insurance be by specific or by general or floating Policies.

The assured shall forthwith give notice of said loss to the Companies, through their General Agent in the City of New York, and as soon after as possible render a particular account of such loss, signed and sworn to by them, stating whether any, and what other insurance has been made on the same property, giving copies of the written portion of all Policies thereon, the actual cash value of the property, their interest therein, for what purpose and by whom the building insured, or containing the property insured, and the several parts thereof, were used, when and how the fire originated; and shall also produce **of the assured, and verify necessary that the assured has, without fraud, sustained loss on the property insured to the amount which such Magistrate, Notary Public, or Commissioner of Deeds, nearest to the place of the fire, not concerned in the loss, as a creditor or otherwise, nor related to the assured, stating that he has examined the circumstances attending the loss, knows the character and circumstances of the assured, and if deemed necessary by the Companies, to a second examination, and subscribe to such examinations when required to writing; and shall also produce their books of account and other vouchers, and all property hereby insured, whether damaged or not damaged, and shall also produce certified copies of all bills and invoices, the originals of which have been lost, and exhibit the same for examination to any person named by the Companies. Damage to property not totally destroyed shall be appraised by disinterested men, mutually chosen by the assured and the Companies; and the Companies shall reserve the right to take the articles damaged at their appraised value. When personal property is damaged, the assured shall forthwith cause it to be put in the best order possible, properly arranged, and make an inventory thereof, naming the quantity and cost of each article, and upon each article the damage shall be separately appraised, and the detailed report of the appraisers, in writing, shall form a part of the proofs hereby required; one of the appraisers' fees to be paid by the Companies. In case of loss on property held in trust or commission, or if the interest of the assured be other than the entire and sole ownership, the names of the respective owners shall be set forth, with their respective interests therein, certified to by them. If this Policy is made payable, in case of loss, to a third party, or held as collateral security, the proofs of loss shall be made by the party originally insured, unless there has been an actual sale of the property insured. And until such proofs, declarations and certificates are produced, and examinations and appraisals permitted, the loss shall not be payable. All fraud, or attempt at fraud, or false swearing on the part of the assured, shall cause a forfeiture of all claim under this Policy. Re-insurance, if hereby made for any other insurance Company, to be on a basis of such a liability that, in the event of loss these Companies are each to pay only their respective proportion of said loss, pro rata, with said other Company, as the amount re-insured bears to the whole amount insured by such other Company.**

**It is furthermore hereby expressly provided and mutually agreed**, that no suit or action against either of these Companies for the recovery of any claim by virtue of this Policy, shall be sustainable in any Court of Law or Chancery, unless such suit or action shall be commenced within twelve months next after the loss shall occur; and should any suit or action be commenced after the expiration of the aforesaid twelve months, the lapse of time shall be taken and deemed as conclusive evidence against the validity of such claim, any statute or limitation to the contrary notwithstanding. And the said Companies respectively agree that, in case the assured shall have to resort to judicial proceedings for the purpose of enforcing his claims under this Policy, it shall not be necessary for him to proceed against all or each of them, but that he may bring his action against either of them and that the others shall be bound and concluded by the result of such action in the same manner and to the same effect as if it had been prosecuted against all of them or against each of them separately with the like result.

**It is further understood and agreed**, by and between the parties hereto, that nothing herein contained shall be construed as creating or importing any joint liability on the part of the above-named Companies or either of them, but that each of the said Companies shall be regarded as only severally liable upon this Policy for the amount insured by each under the same, in the same manner, and not otherwise, as if each had issued its separate Policy for the proportionate amount which each insures as above mentioned. And if any additional amount shall be endorsed upon this Policy, it is to be with the understanding that the said Companies each become insurers only for one-fourth of such additional amount.

**It is further understood**, that the taker or holder of this Policy shall not participate in the profits of either of the said Companies.

**This Policy is made and accepted upon the above express conditions, but the same shall not be valid unless countersigned by the duly authorized Agent of said Companies at**

State of Indiana. Hendricks County ss:  
In the matter of the } Hendricks Circuit Court  
Guardianship of }  
Lillie A. Minton } June Term 1881.

John Moullickin, Guardian of Lillie A. Minton, minor heir of Eldridge H. Minton deceased, says that he is the lawfully authorized guardian of said minor, having been appointed by the Probate Court of Poweshiek County in the State of Iowa, (copies of his application, letters, bond and oath being filed herewith for the inspection of the Court)

The Guardian further shows the Court that his said Ward is the owner in fee simple of an undivided one half of Lots one and two in Block Thirteen in the Town of Danville Hendricks County, Indiana; that all the personal property belonging to said ward that has come to the knowledge or possession of the guardian amounts to \$568.<sup>09</sup>, which personal estate has not been disposed of as yet as he has only just received it from his predecessor Henry Howell, but he expects to invest it in the State of Iowa by loaning the same at interest; that the ward has no personal estate dependent on the settlement of any estate or the execution of any trust; that the annual rental value of said Real Estate has been \$100<sup>00</sup> per year, one half of which has gone to the ward; that no rents have as yet been received by this guardian.

The Guardian says that he proposes to re-invest the proceeds of the sale of said real estate, if a sale be ordered, by loaning the money, at interest, in the State of Iowa at ten per cent. He says that the ward is now about 17 years of age and lives with the Guardian in the town of Montezuma, Poweshiek County in the State of Iowa.

The Guardian further shows that his ward's interest in the Real Estate, being one half is not so productive to her as an investment of its value, at interest would be, that after paying taxes and repairs on said property it leaves but a small per cent. as the proceeds of the rental value, and that the owner of the other half is desirous of selling her interest in the property and he believes it to be to the advantage of the ward to have her part sold and the proceeds reinvested as above shown.

Wherefore he asks an order of the Court to sell said property at private sale without notice.

Attorney.

In the Guardianship of } Land Sale.  
Lillie A. Merton, minor, }

John Mculliken, the  
Guardian herein, now comes by his attorneys  
and reports to the Court that on the 1<sup>st</sup> day  
of ~~September~~<sup>October</sup> 1881 in pursuance to the order of  
the Court made in this cause he sold at  
private sale, without notice, the undivided  
one half of Lots 1 & 2 in Block 13 in the  
Town of Danville, County of Hendricks and  
State of Indiana, to James McHamrick for  
the sum of \$418.<sup>00</sup> said that sum being the  
highest and best bid offered for the same and  
more than the appraised value.

And the said James McHamrick paid down  
the said sum of \$418<sup>00</sup> being his bid in  
full. Wherefore the Court is asked to  
approve the sale so made and appoint  
James McEnoch G. Hogate a com-  
missioner to make a deed of conveyance  
to the said James McHamrick for the  
land so purchased by him.

Comes the Guardian by his attorney and files an inventory and appraisement of the Real Estate of said minor from which it appears that Measbie Gregg and S. L. Hawkins, appointed by the Court, appraised the Real Estate described in the petition at the sum of \$400.<sup>00</sup>

And the Guardian files a copy of his bond executed in Poweshiek County in the State of Iowa, with John Hall as security, which bond has been approved by S. W. Wilson Clerk of the Circuit Court of Poweshiek County and condition in the penalty of \$1000<sup>00</sup> that the Guardian would faithfully account to the Court and his Ward for the proceeds arising from the sale of the Real Estate described in the petition, which bond so executed as aforesaid is approved by the Court

It is therefore ordered by the Court that the said Guardian proceed to sell at private sale without notice the undivided one half of Lots one and two in Block thirteen in the Town of Danville, Hendricks County Indiana. And the Guardian is ordered to sell the said Real Estate for cash in hand at not less than the full appraised value.

And the Guardian is ordered to report his proceedings herein immediately after the sale of said Real Estate.
