The Estate of John Hancock
Thurgott Perry, Administrator

said Estate reports and says to the Court
That at the former term of this Court he was
Cited to appear and answer in consequence of the ill
state of his health was unable to attend said
Court and that therefore an attachment
issued returnable at the present term of
this Court

He says that he is not ready to settle said
Estate owing to the fact that he as administrator
held an ~~Abstract~~ ^{A note for about \$1000} Brantlett and that some
time ago he handed said Note to Joshua
Harris as his agent to collect the same of the said
Brantlett then residing in Parke County, Ind
and that he is informed and believes that after
said Harris received said Note he instead of
collecting the same put the same into the hands
of his Brother William Harris who carried
the same to his own use - by selling the same
This affair a long time since requested ~~and employed~~
Christian C. Case Esq. to collect the said Note
or the amount thereof from the said Harris
And the reason why the said C. Case has not
done so is unknown to this affiant But
one thing is certain that he has left for Illinois

said Estate, He therefore asks that said Estate may
be carried until this affiant shall have
time and opportunity to collect the amount of

 Executor of the last Will and testament of
