In the Matter of the estate of
Simeon B. Richmond, deceased. Hendricks Circuit Court

Nettie E. Richmond, administratrix of the said estate, shows to the Court that there are a number of articles of personal property belonging to said estate, a great number of which are of little value; but some of which consist of new buggies and surries bought for the retail market, that the whole appraised price of said personal property not taken by the widow, except the notes and accounts amount to \$574.35, as shown by the inventory herein, that it would be for the best interest of said estate if said property be sold at private sale and without notice.

Wherefore she asks the Court for an order authorizing empowering and directing her to make sale of all of the personal property of said estate not taken by the widow and excepting the notes and accounts due said estate, at private sale and without notice.
